

North Wolds Federation Intent Statement

Music

We believe that music should be accessible to all, in order to enhance personal expression and creativity of an individual. We are therefore committed to a fully inclusive and immersive music curriculum that both reflects our culture and society and allows the children to connect fully with the world in which they live. We do this through providing opportunities for appreciation, composition, playing instruments and singing alongside new opportunities to display talents within and beyond our school community. We are committed to inspiring children to develop a love of music, alongside developing skills, vocabulary, self-confidence and knowledge.

Market Rasen C of E Primary School, one of the schools in our Federation, is a proud Church School. The aspects of the [Church School Vision](#) that relate to our Music intent include:

- **“We educate each person” & “Our inclusive school community”**; all children will access the Music curriculum.
- **“Respecting individual differences”**; adjustments will be made for children that need them when learning this subject. This is likely to be additional adult support.
- Help children to be **“Spiritually aware”** when they consider music and musicality and for children be able to be touched by the beauty of music in all of its rich forms. More information about this can be found in the Spirituality Policy.
- **“Start children off on the way they should go”**; we are preparing for children to be lifelong musicians with the skills to create and perform.
- To help children achieve their **“Dreams and goals”** if they believe their future lies within this subject area in further education, the workplace, a hobby or an even an interest.
